

Ambient Designer - Longer Release

To load the patch:

1. Locate Apollo Cinematic Guitars on your hard drive
2. Drag the "Ambient Designer - Longer Release.nki" file into the "03 Ambient Designer" folder located here:

Apollo Cinematic Guitars - Instruments - 03 Ambient Designer

3. Restart Kontakt and the patch will now appear in Apollo

Note:

This patch includes a longer sample release time for those who wish to use the Ambient Designer in a more performance oriented way. Feel free to contact Vir2 Support with any questions. Thank you!
